-----	------	---------	------	------	----------	------------

578 **Higher Education Law** credit: 4 hours.

Provides graduate students with core knowledge of the law affecting the administration of colleges and universities. Students become versed in legal issues to enhance administrative effectiveness and to address legal issues that confront the administrator in the operation of an institution of higher education. Importantly, the course does not aspire to invest the student with legal knowledge sufficient to operate without advice of professional legal counsel. Prerequisite: EOL 571.

CRN	Type	Section	Time	Days	Location	Instructor
-----	------	---------	------	------	----------	------------

580 **Critical Issues in Higher Ed** credit: 4 hours.

The examination of critical trends that impact higher education from various perspectives, including legal, organizational, and political. May be repeated to a maximum of 8 hours.

CRN	Type	Section	Time	Days	Location	Instructor
-----	------	---------	------	------	----------	------------

582 **College Student Development** credit: 4 hours.

Provides students with an understanding of theories and research involving the cognitive, intrapersonal and interpersonal development of college students. Special attention is paid to the application of student development research in educational settings and the intentional creation of educational environments along developmental principles. Prerequisite: EOL 572 or consent of instructor.

39405	lecture-discussion	A	03:00 PM - 05:50 PM	T	room 428 Armory	Loui, M; Charlevoix-Romine, D; Phillips, A

586 **Changing College Curriculum** credit: 4 hours.

Examines the historical roots, contemporary controversies, current trends, and possible futures of the curriculum in American postsecondary education. It is a graduate seminar built on small group discussions and conversations about important literature on the changing college curriculum. Increases student understanding of historical and contemporary curricular issues in higher education with the additional goal of fostering the consideration of the possibilities of challenges to enacting curricular change. Prerequisite: EOL 571 or consent of instructor.
