

Class Schedule - Spring 2008

Community Health

260 **Introduction to Medical Ethics** credit: 3 hours.

Course stresses normative bioethics: decisions about what is ethical behavior in a variety of real and practical issues. Analysis of medical ethical cases at the individual, community and wider national and international levels will be addressed. Approved for both letter and S/U grading.

This course satisfies the General Education Criteria for a Hist&Philosoph Perspect course.

Students must register for one discussion and one lecture section.
