Class Schedule - Summer 2008

Engineering

Engineering
Program Administrator: Umberto Ravaioli
Program Office: 206 Engineering Hall, 1308 West Green, Urbana
Phone: 333-2280
www.engr.uiuc.edu
Subjects associated with this department include: Engineering (ENG) and Technology and Management (TMGT)

ENG 199  Undergraduate Open Seminar  credit: 0 TO 5 hours.
Approved for both letter and S/U grading. May be repeated.

Discussion seminar for students participating in the Engineering Co-op Program. Students returning from a work term give short presentations about their work experience.

ENG 202  Cooperative Engrg Practice  credit: 0 hours.
Full-time practice of engineering in an off-campus government, industrial or research laboratory environment. Written work report, online Internship and Co-op Experience Report, and on-line ABET report required. Approved for S/U grading only. Approval of the Director of College of Engineering Experiential Learning Programs is required. For Cooperative Education students only.

Off-campus full-time practice of engineering in government or industry. Approved for S/U grading only. Written Work Report, online Intern/Co-op Experience Report, and online ABET Report required.
ENG 299  Engineering Study Abroad  credit: 0 TO 12 hours.
Provides placeholder Illinois credit for foreign study and/or a mechanism to maintain continuous Illinois enrollment while studying abroad. A detailed proposal must be submitted by the student for approval by the department in which the student is studying and the college office prior to such study abroad. Final determination of credit and its application toward the degree is made after a review of the student’s work abroad by the college office. (Summer Session, 0 to 6 hours).

Credit Hours: 2 hours
Success in the Workplace
This section is reserved for UIUC undergraduate students. Others interested in this course may enroll in ENG 398 SW2. ENG 398 SW1 is an online course worth two hours of credit and counts toward the Social Sciences/Humanities requirement for engineering students. Academic Outreach assessments of $454 per credit hour apply. This course is restricted to students who have a career-related internship or co-op during the Summer 2008 term. If you do not meet this requirement you will be disqualified from the course and will not be eligible for a full refund if you do not cancel your registration by May 30, 2008. Please contact Sarah Zehr at 217-333-1960 with questions about this policy. Guided experiential learning course that facilitates the development of professional skills. Topics covered include basic business concepts and interpersonal skills, including financial statements, corporate strategy, networking, leadership, communication, and a variety of other related topics.

ENG 510  Engineering Practice  credit: 0 hours.
Full-time practice of engineering in an off-campus government, industrial or research laboratory environment. Written work report, online Internship and Co-op Experience report, and on-line ABET report required. Approved for S/U grading only. Approval of the Director of College of Engineering Experiential Learning Programs is required. May be repeated.
