Engineering

ENG 565  **Technol Innovation & Strategy**  credit: 2 hours.
Concepts and frameworks for analyzing how firms can create, commercialize and capture value from technology-based products and services. Business, commercialization, and management aspects of technology. Emphasis on reasons that existing firms or startups which have successfully commercialized products or services fail to sustain their success as technology changes and evolves. Same as TE 565. Prerequisite: STAT 400.
