Global Studies

GLBL 100  **Intro to Global Studies**  credit: 3 hours.
Foundation course for understanding a range of contemporary issues and learning to analyze them from multiple disciplinary perspectives. Students consider globalizing trends within themes of wealth and poverty; population, cultures, and human rights; environment and sustainability; and governance, conflict, and cooperation. Course objectives are to enhance knowledge of human cultures, their interactions and impacts on the world; develop skills for successfully negotiating realities of contemporary societies; and promote values for global learning, diversity, and sustainable futures.

This course satisfies the General Education Criteria for a:
Social & Beh Sci - Soc Sci
Cultural Studies - Western
