Nat Sci & Tech - Life Sciences course.
Meets 12-Jun-17 - 03-Aug-17.
Students will utilize a combination of online lessons in Moodle, Blackboard Collaborate-based discussion sections and office hours, and required e-book access. Two proctored hourly exams and a proctored final exam will be administered either on campus or online through the online proctoring service, ProctorU. Taking exams via the online option requires access to a stable internet connection and a webcam. Students will need to attend one of three weekly online discussion sessions in Blackboard Collaborate on Fridays: either 10:00am-11:30am, 1:00pm-2:30pm, or 6:00pm-7:30pm.
