Credit Hours: 1 hours
Teaching and Leadership
Develop professional skills through practical training in classroom management and leadership; review pedagogy and theory of learning. Create communities of practice through discussions and classroom observations; become familiar with campus resources for teaching improvement; discover cutting-edge teaching methods, including active learning and project-based learning through exposure to educational research topics.

Credit Hours: 2 hours
Teaching and Leadership 2
Students taking the 2-credit hour version of this course will attend and participate in all of the activities of the 1-credit hour version, but will also complete additional readings, homework assignments, and projects. Completion of this course may be applied towards the Graduate Teaching Certificate and the Foundations of Teaching Certificate, offered by CITL.
