Mathematics

MATH 125  **Elementary Linear Algebra**  credit: 3 hours.
Basic concepts and techniques of linear algebra; includes systems of linear equations, matrices, determinants, vectors in n-space, and
eigenvectors, together with selected applications, such as Markov processes, linear programming, economic models, least squares,
and population growth. Credit is not given for both MATH 125 and any of MATH 225, MATH 410, or MATH 415. Prerequisite: MATH
112 (formerly MATH 012) or an adequate ALEKS score.

Restricted to College of Business until business hours on April 24. Some seats are held back for students who transfer to the
College of Business in Summer 2018. As of Fall 2018, this course is NOT required for new freshmen in Business or new freshmen
hoping to transfer to Business.
