Class Schedule - Spring 2018

Agricultural, Consumer and Environmental Sciences

Agricultural, Consumer and Environmental Sciences
Associate Dean: Prasanta Kalita
Program Office: 128 Mumford Hall, 1301 West Gregory Avenue, Urbana
Phone: 217-333-3380
www.academics.aces.illinois.edu

**ACES 102  Intro Sustainable Food Systems**  credit: 3 hours.
An objective approach towards critical systems thinking and towards collaborative analysis across multiple disciplines for the
development, production, preparation, consumption, and utilization of food, feed, fiber and energy, while managing the disposal
and reuse of byproducts, within complex socioeconomic, ecological and environmental systems. Students will be introduced to
the fundamentals of modern crop, livestock, and other agricultural production systems, and consider the future challenges and
opportunities in producing enough for a growing world population.

This course satisfies the General Education Criteria for a:
Nat Sci & Tech - Life Sciences
