Quantitative Reasoning I course.
Departmental Approval Required
Most students interested in this course should take the online self-paced Math 234 class with registration through........ https://netmath.illinois.edu/academics/netmath-courses-college-students ........Section ONL is restricted to students who cannot take the self-paced version because they have financial aid for summer........This section has an online format and requires access to Mathematica-based courseware. Students will receive information about how to sign up for an account in Mathable ($99) after enrollment in the course. This course contains multiple paper-based exams that must be taken with an approved proctor. Exams may be taken on campus with NetMath proctoring; for off-campus options see https://netmath.illinois.edu/offcampus Off-campus proctors must be able to scan completed exams and email them to NetMath for grading, as well as mailing the paper exam back for archival purposes...........Must have a recent passing ALEKS score in order to be able to register. Please see http://math.illinois.edu/ ALEKS. After the ALEKS prerequisite has been met, please e-mail mathadvising@illinois.edu with name, NetID, UIN, need of using financial aid, and desired math course to get approval to register.
