Credit Hours: 3 hours  
African American Music  
Meets with AFRO 132. Survey of African American music, from its origins to the present with a focus on understanding details of musical performance and the ways in which music interacts with its social and political context. Examines genres such as spirituals, the blues, jazz, R&B, soul, and hip-hop. No previous musical background is necessary.

Credit Hours: 2 hours  
Critical Audio Listening  
"Mixing for Popular Music." Learn the process of recording and mixing for popular music through critical listening exercises and professional mixing techniques. This course will be taught online, as well as in person. For Undergraduate Students only.
