Class Schedule - Spring 2019

Music

MUS 501  **Grad Music History Review**  credit: 4 hours.
Review of Western music history both before 1750 (MUS 501 section A) and after 1750 (MUS 501 section B). Refreshes knowledge and understanding of representative examples of repertoire as well as the historical context in which music was written. May be repeated up to 8 hours in separate terms.

Graduate standing in music. This course is for graduate students who fail the Graduate Music History entrance exam. Does not count towards the graduate degree.
