Credit Hours: 4 hours
Restricted to students in the Statistics department.
Restricted to Graduate - Urbana-Champaign.
For up-to-date information about statistics course registration, please see our registration update pages: go.illinois.edu/StatisticsRegistration
This section is restricted to Statistics graduate students. Instructor approval is required for graduate students in other departments. Most seats are open to any statistics graduate student, but a few seats are reserved for statistics PhD students.
If you receive a Reserve-Closed error, that means the course is full except for the reserved seats.

Instructor Approval Required
Restricted to Statistics or Statistics & Computer Science major(s). Restricted to Undergrad - Urbana-Champaign.
For up-to-date information about statistics course registration, please see our registration update pages: go.illinois.edu/StatisticsRegistration
STAT 427: Statistical Consulting is an elective option for the undergraduate Statistics program, however it requires Instructor Approval. You can read the full description and indicate your interest by visiting http://go.illinois.edu/STAT427_form. The deadline for submitting your interest is Wednesday, October 24. Those offered a seat will be notified within a few days of then. There is limited seating, so you should plan your Spring 2019 schedule as if you will not be able to get a seat in STAT 427. Then, if/when you are offered a seat, you can correct your schedule as needed.
